

# St. Martha's Episcopal Church

We have resumed In-Person Worship. All are welcome to attend, but please note our rules for worship at the current time:

\* If you have been vaccinated against the Covid-19 virus, you are no longer required to wear a mask. [However, with the recent increase in cases, the vestry would like to encourage you to wear a mask. We will provide masks for those who need them.](#)

\* If you are unvaccinated, you are asked to wear a mask during worship.

\* Entrance to the church will be via the large red doors on the corner of Maplewood St and S. Pennsylvania Ave.

\* The Order of Service for that day will be provided. Please leave it behind in church as it will be used next week.

\* Scripture readings and a news sheet are included as separate leaflets. These can be taken when you leave.

\* At the Peace, please remain in place. Do not exchange a physical greeting unless with a family member.

\* A Collection will be taken during the Offertory Anthem.

\* Communion will be in one kind only. The priest will wash their hands before distributing communion. Communicants will line up before the altar to receive the host in the palm of their hand.

\* Hand sanitizers will be available in the church.

We appreciate that at the current time many of our members will choose to remain at home. A livestream of the Sunday Holy Eucharist is available on Sunday morning at 10:00 am on our YouTube channel, "St. Martha's Episcopal Church-Bethany Beach, DE".
