International Student Welcome to the Community Picnic Was a Great Success!

Everyone who contributed to this effort should have an extra strong feeling of satisfaction today. Parishioners, local citizens, businesses and organizations, first

responders and more, showed some 46 Students (about a 1/3 of those in town right now) some of the best values of the USA: inclusiveness, kindness, charity and a true desire for world peace. Students lingered into the dusk laughing, playing games, exchanging contact info and taking selfies of international groups they spontaneously formed until they eventually rode off with shopping bags full of food hanging from their handlebars. A special image was of one Student thanking us (we needed no thanks) for giving her extra food to take home to her 12 roommates that could not attend the picnic because they were working: A Parishioner who heard about that may have summarized the Picnic best by saying "God had a plan for all this food, we just didn't see it right away!"
