OUTREACH

Outreach is collecting donations for school supplies for three area schools; John Clayton Elementary, Phillip Showell Elementary, and Selbyville Middle School this month. We are working with the guidance counselors to get the supplies needed. Your donation will help us to order in bulk and get the best prices.

Donations may be a check made out to St. Martha's with school supplies on the memo line, or cash in an envelope with school supplies on the outside. Donations can go in the offering plate or in the boxes for school supply donations in the Narthex or Parish Hall. Thank you for helping to meet the needs of our students. Please have your donations in by **August 21st**.

Over 300 white bags have been decorated and illustrated by St. Martha's Parishioners for the White Bag Lunch Program. Only three weeks left to go this summer. See Fran Hasson or Fran McElvey if you would like to decorate a couple bags.

A big thank you to Wincy Jackson for being available after both services the whole month of July to take photos for the church directory. It's great to be able to put faces to the names of our many parishioners, especially new ones. You can still catch her between services if you would like to update your current picture or have a new one added. Thank you again, Wincy, for all your help in keeping our directory current!

On a similar note....

Anyone who is not currently listed in the directory but would like to be included, or if any of your information needs to be updated, please contact the office, either by phone (302) 539-7444 or [email](#). We strive hard to keep the directory current but we can't do it without your help. Thank you!

Please help us stay on track financially by continuing your regular pledge payments throughout the year, and most especially during the summer months. Sadly, our bills don't go on vacation. Thank you so much for your continued love and support!
